Item 8.01 Other Events.

On December 15, 2025, Coinbase Global, Inc. (the “Company”) filed (i) a certificate of conversion with the Secretary of State of the State of Delaware and (ii) a certificate of conversion with the Secretary of State of the State of Texas, pursuant to which the reincorporation of the Company from the State of Delaware to the State of Texas (the “Reincorporation”) became effective on December 15, 2025, at 5:00 p.m. Eastern Time (the “Effective Time”). At the Effective Time:

- the Company’s state of incorporation changed from the State of Delaware to the State of Texas; and
- the internal affairs of the Company ceased to be governed by the laws of the State of Delaware and the Company’s existing restated certificate of incorporation and amended and restated bylaws, and instead became governed by the laws of the State of Texas and the certificate of formation filed with the Secretary of State of the State of Texas (the “Texas Charter”) and the bylaws approved by the Company’s board of directors (the “Texas Bylaws”).

The Reincorporation did not result in any change in the business, jobs, management, properties, location of any of the Company’s offices or facilities, number of employees, obligations, assets, liabilities, or net worth (other than as a result of the transaction costs related to the Reincorporation). The Reincorporation did not adversely affect any of the Company’s material contracts with any third parties, and the Company’s rights and obligations under such material contractual arrangements continue to be the rights and obligations of the Company after the Reincorporation.

At the Effective Time, each outstanding share of Class A common stock, par value \$0.00001 per share, of the Delaware corporation (the “Delaware Corporation Class A common stock”) automatically converted into one outstanding share of Class A common stock, par value \$0.00001 per share, of the Texas corporation (the “Texas Corporation Class A common stock”), and each outstanding share of Class B common stock, par value \$0.00001 per share, of the Delaware corporation (the “Delaware Corporation Class B common stock”) automatically converted into one outstanding share of Class B common stock, par value \$0.00001 per share, of the Texas corporation (the “Texas Corporation Class B common stock”). Shareholders do not need to exchange their existing stock certificates or book entry entitlements for new stock certificates or book entry entitlements, respectively.

At the Effective Time, each outstanding warrant, stock option, performance-based stock option, restricted stock unit, performance restricted stock unit, restricted stock, equity or equity-based award, or other right to acquire, or any instrument to convert into or exchange for, or that was based on the value of, the Delaware Corporation Class A common stock or the Delaware Corporation Class B common stock or other equity securities of the Company (including, but not limited to, convertible notes, including the 0.50% convertible senior notes due 2026 (the “2026 Notes”), 0% convertible senior notes due 2029 (the “2029 Notes”), 0.25% convertible senior notes due 2030 (the “2030 Notes”), and 0% convertible senior notes due 2032 (the “2032 Notes”)), became a warrant, stock option, performance-based stock option, restricted stock unit, performance restricted stock unit, restricted stock, equity or equity-based award or other right to acquire, or instrument to convert into or exchange for, or that is based on the value of, the same amount of Texas Corporation Class A common stock or Texas Corporation Class B common stock or other equity securities of the Company, respectively, under the same terms and conditions.

The Texas Corporation Class A common stock continues to be traded on the Nasdaq Global Select Market under the symbol “COIN.”

Certain rights of the Company’s shareholders changed as a result of the Reincorporation. A more detailed description of the Plan of Conversion, Texas Charter, Texas Bylaws, and the effects of the Reincorporation is set forth in the Information Statement filed by the Company with the Securities and Exchange Commission on November 24, 2025.

In addition, certain ministerial changes were made to the indentures for the Company’s 2026 Notes, 2029 Notes, 2030 Notes, and 2032 Notes.

Copies of the Plan of Conversion, Texas Charter, and Texas Bylaws as well as copies of the supplemental indentures for the 2026 Notes, the 2029 Notes, the 2030 Notes, and the 2032 Notes are filed as Exhibits 2.1, 3.1, 3.2, 4.1, 4.2, 4.3, and 4.4, respectively, to this Current Report on Form 8-K and are incorporated herein by reference.
